

**Estonian Society for Analytical Psychology invites to open lectures:**

- **Reading Jung in Context**
- **History of Depth Psychology ca. 1890-ca.1921**
- **The Red Book in the Context of Jung's Historical Studies**
- **Jung, Alchemy and Hermetic Philosophy**

**Aksel Haaning, Roskilde University, Denmark**

**Tallinn, 9.-10. March 2018**

These lectures are intended for Jungian analysts, trainees, students, psychotherapists, and for everyone interested. The overall aim is to achieve a substantial understanding of what it means to read Jung in context, to have a clear picture of which questions can be asked and how Jung's central themes, therapeutic principles and concepts develop over time.

The working language is English.
